

# Empty

Tait

If I play the game  
And I win the fame  
Will I be the man I dreamed of  
And if I woo the crowd  
And their screams are loud  
Is it really me that they love

What does it profit  
What does it profit me

If I gain the whole world  
And lose my own soul  
What would be said of me

Or my vanity, vanities  
Chasin' the wind  
I'm feelin' empty again, yeah  
I'm feelin' empty again

If I gain the whole world  
And lose my own soul  
What would be said of me  
Or my vanity vanities  
Chasin' the wind  
And I'm feelin' empty again

If I gain the whole world  
And lose my own soul, ooh  
What would be said  
Tell me what would be said  
Or my vanity, vanities  
Chasin' the wind  
I'm feelin' empty again, yeah  
I'm feelin' empty again, yeah yeah

Jesus come fill me again
