

## Heartache

Tait

Half of you has been taken  
The other half is barely holding on  
You set a course across the ocean  
You had a dream  
And now it's all but lost  
But I want you to know  
I won't let you go

Oh my heart aches for you  
Oh my heart breaks for you  
Oh my heart bleeds for you  
Whatever may come  
I'll stand by you

Who you are is amazing  
A precious soul so beautifully made  
It hurts to see your life fading  
But Heaven knows every tear you've cried  
Oh yeah  
And I want you to know  
I'll never let you go

Oh my heart aches for you  
Oh my heart breaks for you  
Oh my heart bleeds for you  
Whatever may come  
I'll stand by you

You are so amazing  
Keep the light from fading
