

## Loss For Words

Tait

I'm at a loss,  
I'm at a loss for words, I really want to say  
I'm finding for myself  
What can I do  
When every road I travel leads me back to you  
Instead of somewhere else  
I apologize

Cause what I wanted to say  
Never came out the way  
I wanted it to, I wanted it to  
Cause what I wanted to say  
Only got in the way  
I never meant to hurt you  
But I didn't have a clue

I'm just a man  
I'm just a man in need of something better than  
I'm finding for myself  
You count the cost  
For everything you gain there's always something lost  
You're worth so much more  
Listen to my heart whispering  
I need you

Empty words cannot suffice  
I've been runnin' from what I know is right  
When only Yours are words of life

Every time you come around  
Every time I make a sound
