

# How Do I Breathe

Taj Jackson

How do I breathe, yeah?  
How do I breathe, yeah?

[Verse 1:]

It feels so different being here,  
I was so used to being next to you,  
Life for me is not the same,  
There's no one to turn to.  
I don't know why I let it go too far,  
Starting over - it's so hard.  
Seems like everywhere I try to go,  
I keep thinking of you.

[Hook:]

I just had a wake up call,  
Wishing that I never let you fall,  
Baby you are not to blame at all.  
When I'm the one that pushed you away.  
Baby if you knew I cared,  
You'd have never went nowhere (nowhere),  
Girl I should've been right there.

[Chorus:]

How do I breathe  
Without you here by my side?  
How will I see  
When your love brought me to the light?  
Where do I go  
When your heart's where I lay my head?  
When you're not with me,  
How do I breathe?  
How do I breathe?

[Verse 2:]

Girl I'm losin' my mind.  
Yes I made a mistake.  
I thought that you would be mine.  
Guess the joke was on me.  
I miss you so bad, I can't sleep.  
I wish I knew where you could be.  
Another dude is replacing me,  
God this can't be happening.

[Hook:]

I just had a wake up call (call),  
Wishing that I never let you fall (fall),  
Baby you are not to blame at all.  
When I'm the one that pushed you away  
Baby if you knew I cared (cared),  
You'd have never went nowhere (nowhere),  
Girl I should've been right there.

[Chorus:]

(And I wonder...)  
How do I breathe  
Without you here by my side?  
How will I see

When your love brought me to the light?  
Where do I go  
When your heart's where I lay my head?  
When you're not with me (I'm saying),  
How do I breathe?  
How do I breathe?

[Verse 3:]

I can't get over you, no  
Baby I don't wanna let go, no  
Girl you need to come home  
Girl come back to me  
'Cause girl you made it hard to breathe  
When you're not with me.

[Chorus:]

(Tell me)  
How do I breathe  
Without you here by my side?  
How will I see  
When your love brought me to the light?  
Where do I go (where do I, where do I go)  
When your heart's where I lay my head?  
When you're not with me,  
How do I breathe?

How do I breathe?  
[Some speaking starts]  
Without you here by my side?  
How will I see (how will I see)  
When your love brought me to the light (baby, baby)?  
Where do I go (where do)  
When your heart's where I lay my head?  
When you're not with me (you're not with me),  
How do I breathe (how do I breathe)?  
How do I breathe?
