

I Think Of You

Taj Jackson

I miss you babe
girl i know i been busy didn't get to talk
but don't let your head play them games with your heart
its been a little crazy doing what i do
but i just cant wait to get home with you
i know its been hard me not being there
baby i don't want you thinking that i don't really care
and i know that your feeling like i'm being unfair
but your love is with me everywhere

when i dream i think of you
breath i think of you
all day i think of you
give all my love to you my baby boo
swear its true all i do is think of you
when i pray i think of you
far away i think of you
all day i think of you
my heart belongs to you my baby boo
yes its true all i do is think of you

always say i love you before i go to sleep
if i die before i'm awake then i take your love with me
every second i'm away from you feels like misery
cuz i know where i really want to be
i know its been hard me not being there
baby i don't want you thinking that i don't really care
and i know that your feeling like i'm being unfair
but your love is with me everywhere

when i dream i think of you
breath i think of you
all day i think of you
give all my love to you my baby boo
swear its true all i do is think of you
when i pray i think of you
far away i think of you
all day i think of you
my heart belongs to you my baby boo
yes its true all i do is think of you

what do you do when you love someone so much
you'll do almost anything just for one touch
trying to make an excuse just to get away
that's the way i feel about you baby
when i leave do you know what i go through
it makes me cry every time cuz i miss you
and i hope you feel the same way to
cause all i do is think of you

(2x)

when i dream i think of you
breath i think of you
all day i think of you
give all my love to you my baby boo
swear its true all i do is think of you
when i pray i think of you

far away i think of you
all day i think of you
my heart belongs to you my baby boo
yes its true all i do is think of you

all i do is think of you
