

# She Said

Taj Jackson

12 hours on her feet  
And she work like a slave  
She didn't make a lot of money  
But the bills got paid

Every day she dealt with pain  
And I never seen her cry  
And no matter how much it hurt  
It was her only way to survive

And I'll never forget what you've done for me  
And I'll do my best to make you proud of me

She said  
Son I just want you to have a better life than me  
She said  
Get a job so you can raise a family  
She said  
I'm not the kind of people you look up to  
I don't think you understand  
I wanna be just like you

I can never figure out how we made it through  
Did it by yourself and had no one to home to  
Still she lived a life and prayed at night  
To make it through another day

And even when I saw the pain in her eyes  
She tells everything is okay  
And I'll never forget what you've done for me  
And I'll do my best to make you proud of me

She said  
Son I just want you to have a better life than me  
She said

She said

I wanna be just like you

(Ohhhh)  
Everything you taught to me  
I live by faithfully  
You will be so proud to see (the man I've become)

And I'm gonna give back to you  
Cause that's what a son would do  
Mom, I love you  
(Maybe more than enough)

(Woahh)
