

# Wish I

Taj Jackson

Wish I, wish I  
Wish I, wish I  
Ooooh  
Wish I, wish I  
Wish I, wish I

I'm trying not to think  
How much I miss you  
But I can't see anybody fitting your shoes  
Thought I'd be alright on the other side  
Should of never let you walk outta my life  
I'm sorry girl (I'm sorry girl)  
I can't get by  
There's nothing wrong (there's nothing wrong)  
With what we had  
Boo I thought I was missing out  
But I know I need you now  
Ooooh

Wish I never let you go  
I'm so sorry that I hurt you girl  
Wish you were still in my world  
Wish that I still had your love  
I don't see why see can't have it back  
Let's forget about the past  
Wish I never let you go  
Baby don't know what I was thinking  
Now you got me wishing  
Wish that I still had your love  
Oh yeah  
Wish I, wish I  
Wish I, wish I

I don't know about you  
But I'm not good  
Cause not nobody cared or understood  
Baby what I did to you, I'm outta place  
I was so use to having things my way  
I'm sorry girl (I'm sorry girl)  
I take it back  
I don't know why (I don't know why)  
Would you do that  
Boo I thought I was missing out  
But I really wanna work it out

Wish I never let you go  
I'm so sorry that I hurt you girl  
Wish you were still in my world  
Wish that I still had your love  
I don't see why see can't have it back  
Let's forget about the past  
Wish I never let you go  
Baby don't know what I was thinking  
Now you got me wishing  
Wish that I still had your love  
Oh yeah  
Wish I, wish I

Wish I, wish I

Just one mistake  
And my whole life change (my whole life)  
Can there be another way (another way)  
To mend your heart, make a brand new start  
I'd be alive, baby you are my life (you are my life)  
Please tell me that I'll be alright (I'll be alright)  
Ooooh

Wish I, wish I  
Wish I, wish I  
Ooooh  
Wish I, wish I  
Wish I, wish I

Wish I never let you go  
I'm so sorry that I hurt you girl  
Wish you were still in my world  
Wish that I still had your love  
I don't see why see can't have it back  
Let's forget about the past  
Wish I never let you go  
Baby don't know what I was thinking  
Now you got me wishing  
Wish that I still had your love  
(I had your love)  
Wish I, wish I  
Wish I, wish I

Wish I never let you go  
I'm so sorry that I hurt you girl  
Wish you were still in my world  
Wish that I still had your love  
I don't see why see can't have it back  
Let's forget about the past  
Wish I never let you go  
Baby don't know what I was thinking  
Now you got me wishing  
Wish that I still had your love  
Oh baby  
Wish I, wish I  
Wish I, wish I

Oh whoa  
Wish I, wish I  
Wish I, wish I
