

Got a bird what a whistle
Baby got a bird, honey got a bird it would sing
Baby got a bird, honey got a bird it would sing
Without Corrina, sure don't mean, sure don't mean a natural thing

I learned to love you
Baby for I call, honey for I call your name
Baby for I call, honey for I call your name
I wouldn't trade your love for money
Honey you are my warm heart, baby you are my warm heart's frame

Have mercy, have mercy
Baby on my hard luck, mama on my hard luck so
Baby on my hard luck, honey on my hard luck so
Got a rainbow round my shoulder
Shine like silver, baby look like Klondike gold

Got a bird what a whistle
Baby got a bird, honey got a bird it would sing
Baby got a bird, honey got a bird it would sing
Without my Corrina, sure don't mean, sure don't mean a natural thing

Corrina, oh Corrina
Corrina, Corrina
Corrina, Corrina
