

Lovin' In My Baby's Eyes

Taj Mahal

Look here baby now you know I can, be the one to be
your man
Baby now you know I'd do, anything in the world for you

To have lovin' from my baby's eyes, oh lovin' from my
baby's eyes
See the lovin' in my baby's eyes, lovin' from my baby's
eyes

Look here baby now you know darn well, love you better
than another man could tell
Love you baby now you know I'd do, anything in the
world for you

To have lovin' from my baby's eyes, oh lovin' from my
baby's eyes
See the lovin' in my baby's eyes, lovin' from my baby's
eyes

Late at night when I take my rest, oh I hold your
picture to my breast
Love you baby now you know I'd do, anything in the
world for you

To have lovin' from my baby's eyes, oh lovin' from my
baby's eyes
See the lovin' in my baby's eyes, lovin' from my baby's
eyes

Love ya baby. love ya baby, mama now you know I do
Love ya baby, love ya baby, do anything for you

Late at night when I take my rest, oh I hold you
picture to my breast
Love you Mama now you know I'd do, anything in the
world for you

To have lovin' from my baby's eyes, oh lovin' from my
baby's eyes
See that lovin in my baby's eyes, lovin' from my baby's
eyes

Give me that magic in my baby's eyes, lovin' in my
baby's eyes
Give me that lovin' from my baby's eyes, lovin' from my
baby's eyes
