

## Lovin' In My Baby's Eyes

Taj Mahal

Look here baby now you know I can, be the one to be  
your man  
Baby now you know I'd do, anything in the world for you

To have lovin' from my baby's eyes, oh lovin' from my  
baby's eyes  
See the lovin' in my baby's eyes, lovin' from my baby's  
eyes

Look here baby now you know darn well, love you better  
than another man could tell  
Love you baby now you know I'd do, anything in the  
world for you

To have lovin' from my baby's eyes, oh lovin' from my  
baby's eyes  
See the lovin' in my baby's eyes, lovin' from my baby's  
eyes

Late at night when I take my rest, oh I hold your  
picture to my breast  
Love you baby now you know I'd do, anything in the  
world for you

To have lovin' from my baby's eyes, oh lovin' from my  
baby's eyes  
See the lovin' in my baby's eyes, lovin' from my baby's  
eyes

Love ya baby. love ya baby, mama now you know I do  
Love ya baby, love ya baby, do anything for you

Late at night when I take my rest, oh I hold you  
picture to my breast  
Love you Mama now you know I'd do, anything in the  
world for you

To have lovin' from my baby's eyes, oh lovin' from my  
baby's eyes  
See that lovin in my baby's eyes, lovin' from my baby's  
eyes

Give me that magic in my baby's eyes, lovin' in my  
baby's eyes  
Give me that lovin' from my baby's eyes, lovin' from my  
baby's eyes
