

## My Creole Belle

Taj Mahal

My Creole belle  
I love her well  
My darling baby  
My Creole belle

When stars do shine  
I'll make her mine  
My darling baby  
My Creole belle

I got a house in the country  
Big old garden out back  
Blues on a victrola  
What do you think of that?

My Creole belle  
I love her well  
My darling baby  
My Creole belle
