

## West Indian Revelation

Taj Mahal

I spent last summer on an island  
In the Mediterranean Sea  
The sunshine was so bright  
Yes you know it burned me down  
To my soul

I wish everybody  
That I had to love was there with me  
What a time, baby what a time  
I had when I was there  
Mmm, mm, oo, mm

First I'm an African man  
Second I'm black Jamaican  
Third I'm black American

First I'm an African man  
Second I'm black Jamaican  
Third I'm black American

First I'm an African man  
Second I'm black Jamaican  
Third I'm black American

Shake it shake it shake it shake it  
Shake it shake it let your body swim  
Shake it shake it shake it shake it  
Shake it shake it baby take a pull of rum again

If you have not had enough of it in your life  
You just cannot have your fill  
Mmm, ooo, mmm

First I'm an African man  
Second I'm black Jamaican  
Third I'm black American
