

A Million Love Songs

Take That

1. Put your head against my life
What do you hear?
A million words just trying to make
The love song of the year
2. Close your eyes but don't forget
What you have heard
A man who's trying to say three words
The words that make me scared

R: A million love songs later
A million loves ongs later
Here I am trying to tell you
That I care
A million love songs later
A million love songs later
Here I am

3. Looking to the future now
This is what I see
A million chances pass me by
A million chances to hold you
4. Take me back, take me back
To where I used to be
And hide away from all my truths
Through the light I see

R: A million love... (2x)
