

## Back for Good

### Take That

1. I guess, now it's time, for me to give up, I feel it's time,  
Got a picture of you beside me,  
Got your lipstick marks still on your coffee cup, Oh yeah,  
Got a fist of your emotion, Got a head of shattered dreams,  
Gotta leave it, gotta leave it all behind now

R: Whatever I said, whatever I did, I didn't mean it,  
I just want you back for good,  
(want you back, want you back, want you back for good),  
Whenever I'm wrong, just tell me the song and I'll sing it,  
You'll be right and understood,  
(want you back, want you back) I want you back for good

2. Unaware but underline, I figured out the story (no no),  
It wasn't good (no no),  
But in a corner of my mind (corner of my mind), I celebrated glory  
,  
But that was not to be,  
In the twist of separation, you excelled at being free,  
Can't you find (can't you find) A little room inside for me

R: Whatever I said...

\*: And we'll be together, this time it's for ever,  
You can't fight it, and forever we will be,  
So complete in our love, We will never be uncommon again

R: Whatever I said...

I guess it's time, that you came back for good.
