Come and hold my hand
I wanna contact the living
Not sure I understand
This role I've been given

I sit and talk to God
And he just laughs at my plans
My head speaks a language
I don't understand

I just want to feel real love Feel the home that I live in 'Cause I got too much life Running through my veins Going to waste

I don't want to die
But I ain't keen on living either
Before I fall in love
I'm preparing to leave her
I scare myself to death
That's why I keep on running
Before I've arrived
I can see myself coming

I just want to feel real love Feel the home that I live in 'Cause I got too much life Running through my veins Going to waste And I need to feel real love And a life ever after I cannot give it up

I just want to feel real love Feel the home that I live in I got too much love Running through my veins To go to waste

I just wanna feel real love In a life ever after There's a hole in my soul You can see it in my face It's a real big place

Come and hold my hand
I want to contact the living
Not sure I understand
This role I've been given
Not sure I understand
Not sure I understand
Not sure I understand
Not sure I understand
