

## Hold Up a Light

Take That

You can dance if you like  
You can sing every line of every song  
No, you don't have to steal the show  
It was your show all along

As the orchestra plays  
The people take the seats  
There's no room left in this house  
It's only you and me  
And if life is your stage  
I'll be watching

[Chorus]  
Hold up a light for me [3x]  
Hold up a light for me ohhhh  
I'll be watching  
Hold up a light for me [3x]  
Hold up a light for me ohhhh  
And I'll be watching you.

Everything that you do  
As we start, rehearsing every scene  
The words to everything  
We realize that the crowd is listening  
And then the tears, fall down on your face  
In exactly the right place

[Chorus]
