You light the skies, up above me A star, so bright, you blind me, yeah Don't close your eyes Don't fade away, don't fade away-

Oh

Yeah you and me we can ride on a star
If you stay with me girl
We can rule the worldYeah you and me we can light up the sky
If you stay by my side
We can rule the world-

If walls break down, I will comfort you If angels cry, oh I'll be there for you You've saved my soul Don't leave me now, don't leave me now

Oh

Yeah you and me we can ride on a star

If you stay with me girl

We can rule the world

Yeah you and me, we can light up the sky

If you stay by my side

We can rule the world-

Ooooooooh

All the stars are coming out tonight They're lighting up the sky tonight For you, for you All the stars are coming out tonight They're lighting up the sky tonight For you, for you-

Ooooooooh

Yeah you and me we can ride on a star
If you stay with me girl
We can rule the world
Yeah you and me, we can light up the sky
If you stay by my side
We can rule the world

All the stars are coming out tonight (oooooooh)
They're lighting up the sky tonight
For you, for youAll the stars are coming out tonight
They're lighting up the sky tonight
For you, for you-

All the stars, are coming out tonight They're lighting up the sky tonight For you, for youAll the stars, are coming out tonight They're lighting up the sky tonight For you, for you
