## Take That

You, you're such a big star to me  
You're everything I wanna be  
But you're stuck in a hole and I want you to get out  
I don't know what there is to see  
But I know it's time for you to leave  
We're all just pushing along  
Trying to figure it out, out, out.

All your anticipation pulls you down  
When you can have it all, you can have it all.

[Chorus]

So come on, so come on, get it on  
Don't know what you're waiting for  
Your time is coming don't be late, hey hey  
So come on  
See the light on your face  
Let it shine  
Just let it shine  
Let it shine

Stop (stop)  
Being so hard on yourself  
It's not good for your health  
I know that you can change  
So clear your head and come around  
You only have to open your eyes  
You might just get a big surprise  
And it may feel good and you might want to smile, smile, smile.

Don't you let your demons pull you down  
Cause you can have it all, you can have it all.

[Chorus]

Hey, let me know you (let me know ya)  
You're all that matters to me (you're all that matters)  
Hey, let me show you (let me show ya)  
You're all that matters to me. (you're all that matters)

[Chorus]

Hey, let me know you (let me know ya)  
Your all that matters to me  
Hey, let me show you (let me show ya)  
You're all that matters to me. (you're all that matters)

Shine.

Let me know you (shine)  
So come on  
See the light on your face  
Let it shine  
Just let it shine  
Let it shine.

Shine.
