

## Sure

## Take That

I'm sitting here waiting for my lover  
Last time we met I wasn't to sure  
Now I'm hoping, maybe dreaming, for a life as one  
When she reads this I'm hoping she'll call  
But I need much more than before  
I need positive reactions whenever I'm down

Cause I'm sure so sure  
That it's heaven knocking on my door  
Sure so sure so baby come on inside  
Need you so much more and more each time we touch  
Sure so sure that it's sweet love I found

It isn't a game so don't play hard to get  
(Tired of running after you)  
There's no connections holding us down (down)  
Isn't it a shame it never happened  
Though still here we are the second time round  
It's gotta be social, compatible, sexual, irresistible  
It's gotta be right for love

Sure so sure  
That it's heaven knocking on my door  
Sure so sure so baby come on inside  
Need you so much more and more each time we touch  
Sure so sure that it's sweet love I found

Holdin', squeezin', touchin', teasin'  
Wantin', wishin', waitin', teasin'  
Of you love, yeah yeah  
Blindin', groovin', feel it, move it  
Findin', breathin', brakin', breedin'  
With you girl  
It's gotta be social, compatible, sexual, irresistible  
It's gotta be right for love

Cause I'm sure so sure  
That it's heaven knocking on my door  
Sure so sure so baby come on inside  
Need you so much more and more each time we touch  
Sure so sure that it's sweet love I found
