

# Take That and Party

## Take That

Come on, come on  
Come on, come on take that and party  
Come on, come on  
Come on, come on take that

Every part of you makes me feel  
That I've gotta touch you you know  
If only you knew what's in my mind  
I can't believe this girl

Come on, come on  
Come on, come on take that and party  
Come on, come on  
Come on, come on take that

Come on, come on  
Come on, come on take that and party  
Come on, come on  
Come on, come on take that

Don't catch the fall when I play real hard  
You'll never stop all my games  
If you only knew what's in my mind  
I can't believe this world

Come on, come on  
Come on, come on take that and party  
Come on, come on  
Come on, come on take that

Come on, come on  
Come on, come on take that and party  
Come on, come on  
Come on, come on take that

TAKE THAT

Come on, come on  
Come on, come on take that and party  
Come on, come on  
Come on, come on take that

Come on, come on  
Come on, come on take that and party  
Come on, come on  
Come on, come on take that

Come on, come on  
Come on, come on take that and party  
Come on, come on  
Come on, come on take that

Come on, come on  
Come on, come on take that and party  
Come on, come on  
Come on, come on take that
