

The Flood

Take That

Standing, on the edge of forever,
At the start of whatever,
Shouting love at the world.
Back then, we were like cavemen,
We'd beam at the moon and the stars,
Then we forgave them.

We will meet you where the lights are,
The defenders, of the faith we are.
Where the thunder turns around they'll run
so hard we'll tear the ground away.

You know no one dies, in these love town lies,
Through our love drowned eyes, we'll watch you sleep tonight.

Al though no one understood we were holding back the flood,
Learning how to dance the rain.
We were holding back the flood they said we'd never dance again.

Bleeding, but none of us leaving,
Watch your mouth son or you'll find yourself floating home.
Here we come now on a dark star, seeing demons, not what we are.
Tiny minds and eager hands hands will try to strike but now will end today.

There's progress now where there once was none, where there once was ah, the
n everything came along.

Although no one understood, we were holding back the flood learning how to d
ance the rain.
There was more of them than us now they'll never dance again.

Although no one understood there was more of them than us learning how to da
nce the rain, We were holding back the flood they said we'd never dance agai
n.

We will meet you where the lights are,
The defenders, of the faith we are.
Where the thunder turns around they'll run so hard we'll tear the ground awa
y.

Although no one understood, there was more of them than us learning how to d
ance the rain.
(learning how to dance the rain)
There was more of them than us now they'll never dance again.

Now we'll never dance again.

Oh ahh, Oh ahh, Oh ahh, Oh ahh, Oh aah, Oh ahh, Oh ahh...
