

## Give Into Me

Takida

I'm falling down on you, where are you from  
What else can I do, you're so beautiful how can I go on  
If I loose it all, would you go down on me  
I don't even know, the things you want me to see  
Waiting for you  
Thinking of you  
Give into me, I'll make you blue

I wanna know if you feel the same  
You're mine, I'm ridin high like an aero plane

I wanna give you what you need,  
But I don't dare to ask  
I got no self-esteem,  
I don't blame my past

Waiting for you  
Thinking of you  
Give into me, I'll make you blue

I wanna know if you feel the same  
You're mine, I'm ridin high like an aero plane

Ridin high,  
ridin high,  
ridin high,  
ridin high,  
ridin high,  
ridin high,  
ridin high, yeah
