Have You Waited Long

I need you I need you, now I'm late I want you I want you, not today Have you waited long? Have you waited long? Have you waited long? I know you I know you, you know me I'm easy, eyh eyh eyh I'm easy, that's the key Can I tell you right now Have you waited long, Have you waited long Have you waited long ohhh Have you waited long 3x Have you waited long, I thought I heard you crying

Have you waited long, Have you waited long, Have you waited long, you got to keep on trying Have you waited long I need you

Can I tell you right now Have you waited long, Have you waited long Have you waited long

yeah eah Have you waited long, Have you waited long Have you waited long
