

All Excess

Taking Back Sunday

Oh yeah, oh yeah, alright
I felt dirty and I didn't know why

I could hardly whisper
I could barely sing a note
You were there in spirit
Telling me "I told you so"
I told you so

Oh yeah, oh yeah, alright
I felt dirty and I didn't know why
Oh yeah, oh yeah, alright
I felt dirty, yeah
I felt dirty, yeah

Drown, drown out the best parts
Down, down, down the drain

You knew I was lying
You could hear it in my voice
I couldn't say what I was thinking
Or if I had a choice
I didn't have a choice

Oh yeah, oh yeah, alright
I felt dirty and I didn't know why
Oh yeah, oh yeah, alright
I felt dirty, yeah
I felt dirty, yeah

Drown, drown out the best parts
Down, down, down the drain
Drown, drown out the best parts
Down, down, down the drain

Oh yeah, oh yeah, alright
I felt dirty and I didn't know why
Oh yeah, oh yeah, alright
I felt dirty, yeah
I felt dirty, yeah
Oh yeah, oh yeah, alright

Drown, drown out the best parts
Down, down, down the drain

Oh yeah, oh yeah, alright
I felt dirty and I didn't know why
Oh yeah, oh yeah, alright
I felt dirty, yeah
I felt dirty, yeah
