

Homecoming

Taking Back Sunday

You ain't gotta worry about me, baby
Now I got everything I need
It's taken me all this time to see
If I live, if I don't get killed
I'm going back to Jacksonville
One of these days, it won't be long
They'll look for me, and I'll be gone

You ain't gotta worry about me, baby
Now I got everything I need
It's taken me all this time to see
I'm coming home

One of these days, it won't be long
They'll look for me, and I'll be gone
'Cause if I live, if I don't get killed
I'm going back to Jacksonville

Ain't gotta worry about me, baby
Now I got everything I need
It's taken me all this time to see
Ain't gotta worry about me, baby
Now I got everything I need
Oh, it's taken me all this time
It's taken me all this time to see
I'm coming home
I'm coming home, home
I'm coming home, home
I'm coming home, home
I'm coming home

Ain't gotta worry about me, baby
Now I got everything I need
It's taken me all this time to see
No, I ain't worry about you, baby
See I got everything I need
It's taking me all this time to see
I'm coming home

If I live, if I don't get killed
I'm going back to Jacksonville
One of these days, it won't be long
You'll look for me, and I'll be gone
