

## Like You Do

## Taking Back Sunday

Came as a surprise  
Whistles and bells  
And although I was not asking  
You offered up your help  
And I ain't ever gonna find another one  
I ain't ever gonna find another one

That does me like you did  
Like you do  
Like you've done  
That does me like you did  
Like you do  
Like you've done

I was keeping to myself  
Waiting on some train  
When your heels click clacked the platform  
To my heart they did the same  
I ain't ever gonna find another one  
I ain't ever gonna find another one

That does me like you did  
Like you do  
Like you've done  
That does me like you did  
Like you do  
Like you've done

I may not always be the best man  
But I'm going to always walk that line  
I don't even know what I was saying  
You went and changed your mind  
As it wouldn't be the first time  
You went and changed your mind  
I ain't ever gonna find another one  
I ain't ever gonna find another one

That does me like you did  
Like you do  
Like you've done  
That does me like you did  
Like you do  
Like you've done

Came as a surprise  
Whistles and bells  
And although I was not asking love  
You offered up your help  
And I ain't ever gonna find another one  
I ain't ever gonna find another one

That does me like you did  
Like you do  
Like you've done  
That does me like you did  
Like you do  
Like you've done

That does me like you did  
Like you do  
Like you've done
