

Twenty-Twenty Surgery

Taking Back Sunday

I'll take with me every single luxury when I leave you can
Count on me for that and nothing more
(Count on me for that and nothing more)
The view from this side's not what
The view from this side's not what
I thought it'd be, promised something different
We close our eyes and let go of the wheel

It's not the quantity that bothers me
(no it's not the quantity that bothers me)
No it's not the quality that bothers me..

It's the means, twenty-twenty surgery
Well, twenty-twenty surgery for cheap
Dollar signs doll up a picture perfect point of view
Twenty-twenty surgery

Well all young children listen, 'cause they've got so much to learn
(Turn it in, tune out)
We'll get you home in time to make the rent
(...Should be for free for being me)

It's not the quantity that bothers me
(no it's not the quantity that bothers me)
No it's not the quality that bothers me..

It's the means, twenty-twenty surgery
Well, twenty-twenty surgery for cheap
Dollar signs doll up a picture perfect point of view

Dollar signs doll up a picture perfect point of view

I do, I don't need you like you think
I do, I don't, I don't need you like you think
I do, I don't, I don't need you like you think
I do, you don't you just don't... leave me alone.

It's the means, twenty-twenty surgery
Well, twenty-twenty surgery for cheap
Dollar signs doll up a picture perfect point of view

You're so sensitive
I am, I am a machine.
You're so sensitive
I am, I am a machine.
You're so sensitive
I am, I am a machine.
You're so sensitive
I am, I am a machine.
