Broken glass - everywhere! (IT'S LOUDER!!) Louder - than a bomb shattered in in the air, yeah (How many of y'all think you can do what we do?!) Yeah! Wait a second (One! Two! Three! C'mon!) Dreams shattered like broken glass Press ignore it and your hopes get broken fast You complain for the life you supposed to have But when you try to make plans God is known to laugh Throw a song on the phonograph, and Lucy start wilin The trick start smiling, watch the loot start flying The Gucci start pilling up, she live designer plush Start lining up the coke so she could find a rush Time's up, she's about to turn 33 Her shit started to sag, she got surgery Now cats are used to drive past her like a Church van Acting on thirst, 'She Wants To Move' like a N.E.R.D. fan Bigger house, 10,000 dollar purse fam She let you in, she wanted rent by the 1st man She the ring leader in a clique of birds And they shadowy, like the silhouette behind the curtain She was a small city girl with big city dreams Niggaz try to figure how to get up in them jeans Put her in them scenes, get her on the team Hit her wit the cream 'til they figured out the schemes Now she all up in the club looking for a new love

Really like Huey Lewis looking for a new drug Cause coke's getting old, started free basing

Graduated to crack, smack on occasion

Not catching the bus, but back at the station

Back and forth pacing, acting all impatient

Last hundred dollars, she got to 'Get By'

Now gotta make a choice, go home or get high

Mommy and daddy miss her, she left for the fame

Now what's left is the dirt that's thrown on her name

She need a ticket home if it's the right course

Instead she bought a ticket to ride the white horse

[Chorus]
