

A man decides after seventy years
That what he goes there for is to unlock the door
While those around him criticize and sleep...
And through a fractal on a breaking wall
I see you my friend, and touch your face again
Miracles will happen as we speak

But we're never gonna survive
unless We get a little crazy
No we're never gonna survive
unless We are a little Crazy

Crazy are the people walking through my head
One of them's got a gun to shoot the other one
And yet together they were friends at school
Ohh, get it, get it, get it, get it no no!
If all were there when you first took the pill
Then maybe...
Miracles will happen as we speak

But we're never gonna survive
unless We get a little crazy
No we're never gonna survive
unless We are a little Crazy

Oh darlin...
In a sky full of people, only some want to fly,
Isn't that crazy?
In a world full of people, only some want to fly,
Isn't that crazy?
Crazy...
In a heaven of people there's only some want to fly,
Ain't that crazy?
Oh babe... Oh darlin...
In a world full of people there's only some want to
fly,
Isn't that crazy?
Isn't that crazy... Isn't that crazy...Isn't that
crazy...

Ohh...

But we're never gonna survive
unless We get a little crazy
No we're never gonna survive
unless We are a little Crazy

But we're never gonna survive
unless We get a little crazy
No we're never gonna survive
unless We are a little Crazy
