

# I'll B There 4 U

Talisman

There u were  
standin' all by yourself  
lookin' like a puzzled child  
till i came along  
i made u laugh  
u told me bout the years u cried  
the tears that made u wanna die  
& times we were wrong

so just call my name  
tell me that u feel the same  
if you're always there 4 me  
i'll be there 4 u (oh, whoa)  
& if your worlds collide  
i'll be standin' by your side  
& if the rain should fall again  
i'll be there 4 u  
u say it's hard 2 know  
u say you're trying 2 believe  
the words u've heard 'em all b4  
they've just turned 2 lies  
but i can guarantee  
the words i sing will carry on  
i'll take your pain & make u strong  
i'll make it all right

( there 4 u { i'll be there}) i'll be there 4 u ( there  
4...{there 4}...u )  
i'll be there 4 u ( there 4 u { i'll be there} )  
i've waited this long & i'm not letting go Chorus  
( there 4 u {i'll be there}) i'll be there 4 u ( there  
4...{there 4}...u )  
i'll be there 4 u ( there 4 u { i'll be there} )
