

## Ascension Day

Talk Talk

Bet I'll be damned  
Built the debt  
I turned 2's up today  
Bet I'll be damned  
Gets harder to sense to sail  
Farewell fare well  
Mother numb to & devout to  
Reckon luck sees us the same

Weighted my hand  
Kill the bet  
I'll burn on judgement day  
Weighted my hand  
Get hard hit to sin to sail

Farewell fare well  
Mother numb to & devout to

Double deal  
A season wrapt  
Too lax to lapse so soon  
Reckon luck sees us the same

Bed on my back  
Dealt my hell  
I've dealt my months of May  
Bed on my back  
Get parted ascension day

Farewell fare well  
Mother numb to & devout to Reckon luck sees us the same  
Reckon love deals us the same
