

## Call in the Night Boy

Talk Talk

Say goodnight  
Every hour brings the morning of my life  
Out of time  
Every step I take I'm further down the line

Here I stand left behind  
My eyes open wide  
If you need me you should try

Calling the night boy  
Calling  
Calling the night boy

Say goodnight  
Every hour brings the morning of my life  
Out of tune  
Every breath I take I take it over you

I don't care what people say  
I don't care night is day  
I'll remember if you say

Calling the night boy  
Calling  
Calling the night boy  
Calling

Here I stand left behind  
My eyes are open wide  
If you need me you should try

Calling the night boy  
Calling  
Calling the night boy  
Calling
