

# Give It Up

Talk Talk

From the place that I stand  
To the land that is openly free  
Watching rivers run black  
By the trees that are vacant to greed

Gotta give it up  
Gotta get a second chance  
Gotta give it up  
Gotta get a second chance  
And the jokes just started

Gotta give it up,  
Give it up,  
Give it up  
Gotta give it up

Or tell me why I'm so wrong  
Where does love come from  
If you've sold your reasoning out

How can I learn  
If I don't understand what I see  
If I'm giving this mess  
Take a walk through a nightmare so real

Gotta give it up  
Gotta get a second chance  
Gotta give it up  
Gotta get a second chance  
And the jokes just started

Gotta give it up,  
Give it up,  
Give it up  
Gotta give it up

Or tell me why I'm so wrong  
Where does luck come from  
When you've never been without

Give it up,  
Give it up,  
Give it up  
Gotta give it up  
Give it up,  
Give it up  
Gotta give it up

Tell me if I'm so wrong  
Where does love come from  
If you've sold your reasoning out  
Or tell me if I'm so wrong  
Where does luck come from  
When you've never been without

Can do it  
You can do it

You can do it  
Gotta give up
