My Foolish Friend

Lay your hands into my head I've been rude I don't care what you do

So much heart is not enough I've seen few who treat me like you do

My foolish friend Don't try to live my life Upon this weary line My foolish friend Don't tell me if I'm right

Teenage tears the saving grace Of this fool But no-one's watching you

Save this mirror for your face There are two No matter what you choose

My foolish friend Don't try to live my life Upon this weary line My foolish friend Don't tell me if I'm right

When I can really rebel Yes I'm really saddened

My foolish friend Don't try to live my life Upon this weary line My foolish friend Don't try to live my life
