

Talk Talk

Talk Talk

Well did I tell you before
When I was up
Anxiety was bringing me down
I'm tired of listening to you
Talking in rhymes
Twisting round to make me think
You're straight down the line
All you do to me is talk talk

If every sign that I see is complete
Then I'm a fool in your game
And all you want to do
Is tell me your lies
Won't show the other side
You're just wasting my time

All you do to me is talk talk

When every choice that I make is yours
Keep telling me what's right and what's wrong
Don't you ever stop to think about me
I'm not that blind to see
That you've been cheating on me

You're laughing at me when I'm up
Crying for me when I'm down
Laughing at me when I'm up
Crying for me

All you do to me is talk talk
