

# The Rainbow

**Talk Talk**

Oh yeah  
The world's turned upside down  
Jimmy Finn is out  
Well how can that be fair at all?

Lenient  
The song the lawyer sang  
Our nation's wrong

Well how can that be fair at all?  
Repented changed  
Aware where I have wronged

Unfound corrupt  
This song the jailer sings  
My time has run

Sound the victim's song  
The trial is gone  
The trial goes on
