## Talking Heads

And all I see is little dots  
Some are smeared and some are spots  
Feels like a murder but that's alright

Somebody said, there's too much light  
Pull down the shade and it's alright  
It will be over in a minute or two

I'm charged up, don't put me down  
Don't feel like talking, don't mess around  
I feel mean, I feel okay  
I'm charged up, electricity

The boys are making a big mess  
This makes the girls all start to laugh  
I don't know what they're talking about

The boys are worried, the girls are shocked  
They pick the sound and let it drop  
Nobody know what they're talking about

I'm charged up, I'm kinda wooden  
I'm barely moving, I study motion  
I study myself, I fooled myself  
I'm charged up, it's pretty intense

I'm charged up, don't put me down  
Don't feel like talking, don't mess around  
And I feel mean, I feel okay  
I'm charged up, electricity, that's what I call it
