

Heaven

Talking Heads

Everyone is trying to get to the bar.
The name of the bar, the bar is called Heaven.
The band in Heaven plays my favorite song.
They play it once again, they play it all night long.

Heaven, heaven is a place
A place where nothing, nothing ever happens.
Heaven, heaven is a place
A place where nothing, nothing ever happens.

There is a party, everyone is there.
Everyone will leave at exactly the same time.
It's hard to imagine that nothing at all
could be so exciting, and so much fun.

CHORUS

When this kiss is over it will start again.
It won't be any different, it will be exactly the same.
It's hard to imagine that nothing at all
could be so exciting, could be so much fun.

CHORUS....
