

Hey Now

Talking Heads

I wanna bicycle
I wanna popsicle
I wanna space face
Buy me a cherry face now

Hey now, hey now
Hey now, now
Hey now, hey now
Hey now, now

I wanna video
I wanna rock and roll
Take me to the shopping mall
Buy me a, a rubber ball now

Hey now, hey now
Hey now, now
Hey now, hey now
Hey now, now

Ooh
Would the light come and hit you in the eyes?
Hey
Gonna stop, gonna get you by surprise

Every night when the sun goes down
People are staying at home
You can tell your momma and daddy
Leave those children alone

They know what they're doin'
They ain't runnin' away
Uncle John said, "Tell Aunt Mary
I got nothing to say"

Hey now, hey now
Hey now, now
Hey now, hey now
Hey now, now

I am the king of the world
The boss of the boys and girls
You can live till a 100 and 10
If you listen to what I said

Hey now, hey now
Hey now, now
Hey now, hey now
Hey now, now

Hey now, hey now
Hey now, now
Hey now, hey now
Hey now, now
