## I Wish You Wouldn't Say That

**Talking Heads** 

I wish you wouldn't say that I thought I'd have to come right over I thought I made it clear enough I guess I'll have to make it clearer

Say something to change your mind Bring me back the way I used to be If it takes forever that's all right Say the words that I've been trying to hear

I wish you didn't tell her I thought O'd have to come right over I thought I'd have to make it clearer Now Jimmy's coming over

There are places that I won't forget And I guess I'm never going back Guess it's information that I lack I've told lies without a hint or regret

I wish you wouldn't say that I wish you wouldn't say that...
