

## Love → Building on Fire

Talking Heads

When my love  
Stands next to your love,  
I can't define love  
When it's not love.

It's not love.  
It's not love.  
Which is my face,  
Which is a building,  
Which is on fire.

When my love  
Stands next to your love,  
I can't define love  
When it's not love.

It's not love.  
It's not love.  
Which is my face,  
Which is a building,  
Which is on fire.

I've got two loves  
I've got two loves  
And they go tweet, tweet, tweet, tweet, tweet, like little birds  
They're my two loves...  
Count them one, two loves...  
Count them one, two loves.  
Which is my face  
Which is a building  
Which is on fire

It's not love.  
It's not love.  
Which is my face,  
Which is a building,  
Which is on fire.
