

Road To Nowhere

Talking Heads

We're on a road to nowhere, come on inside
Taking that ride to nowhere, we'll take that ride
I'm feelin' okay this morning, and you know
We're on a road to paradise, here we go, here we go

We're on a ride to nowhere, come on inside
Taking that ride to nowhere, we'll take that ride
Maybe you'll wonder where you are, I don't care
Here is where time is on our side, take you there, take you there

We're on a road to nowhere, ha - ha
We're on a road to nowhere, ha - ha

There's a city in my mind come along and take that ride
And it's alright, baby it's alright
And it's very far away, but it's growin' day by day
And it's alright, baby it's alright
Would you like to come along, you can help me sing this song
And it's alright, baby it's alright

Chorus
