

## Ruby Dear

Talking Heads

'Round and 'round and we won't let go  
And where we stop no one knows  
Uh huh, uh huh  
Down and down in a spin we turn  
Looking like we'll never learn  
Uh huh, uh huh

Think about what everyone is saying  
Ruby dear, oh don't you hear?  
Late at night when the radio is playing  
Ruby dear, so looky here

Oh this record's broken  
It slips a beat  
And all those watermelons  
Have gone to seed

Nothing lives in this dirty little river  
No one here will shed a tear  
It dried up but it couldn't run forever  
Ruby dear that's what we hear

I still like the ocean  
Down by the sea  
They left that door wide open  
It tempted me

Hounding me from the bedroom to the kitchen  
Ruby dear, I'm still not here  
Now they throw the fox amongst the chickens  
It's too deep, I'll drown in my sleep

Angels and prostitutes  
They might look the same  
And if to Hell we're going  
I'll see you there

'Round and 'round and we won't let go  
And where we stop no one knows  
Uh huh, uh huh  
Down the street where the bonfires glow  
Looking like they lost control  
Uh huh, uh huh

Settle down in that rocking chair  
Breathing in that rotten air  
Uh huh, uh huh  
Johnny Jones fell fast asleep  
Down a hole where the rocks are steep  
Uh huh, uh huh
