Ruby Dear

Talking Heads

'Round and 'round and we won't let go And where we stop no one knows Uh huh, uh huh Down and down in a spin we turn Looking like we'll never learn Uh huh, uh huh

Think about what everyone is saying Ruby dear, oh don't you hear? Late at night when the radio is playing Ruby dear, so looky here

Oh this record's broken It slips a beat And all those watermelons Have gone to seed

Nothing lives in this dirty little river No one here will shed a tear It dried up but it couldn't run forever Ruby dear that's what we hear

I still like the ocean Down by the sea They left that door wide open It tempted me

Hounding me from the bedroom to the kitchen Ruby dear, I'm still not here Now they throw the fox amongst the chickens It's too deep, I'll drown in my sleep

Angels and prostitutes They might look the same And if to Hell we're going I'll see you there

'Round and 'round and we won't let go And where we stop no one knows Uh huh, uh huh Down the street where the bonfires glow Looking like they lost control Uh huh, uh huh

Settle down in that rocking chair Breathing in that rotten air Uh huh, uh huh Johnny Jones fell fast asleep Down a hole where the rocks are steep Uh huh, uh huh
