

Totally Nude

Talking Heads

Big and I'm bad and I want you to know
I hang around where the grass is greener
Totally naked, baby, totally nude
'Cause if I want to, who's gonna stop me?
I'm absolutely free living in the trees
The birdies and the bees 'cause I'm a nature boy

Locked up inside, you can't tell me where it's at
Open up, open up, open the door
Rocks and trees and physical culture
Some days you hide, I guess you wonder where you are
Nature boy, nature man, take me along
We got a life that's undiscovered

We threw it all away, throw it all away
Rolling every way it's irresponsible
So civilized, I guess you wonder where you are
Nature boy, nature man, take me along
Deep in the woods we're undiscovered

I'm a little fish and you're the river
Living in a boat that's underwater
We can tip, tip, tip it over
You can push, push, make it better now

Wake your daddy up, it's a quarter to five
Our little boat has lost its rudder
Dive to the bottom and we never come up
A polka party for Bob and Martha
I'm absolutely free living in the trees
The birdies and the bees 'cause I'm a nature boy

Think what you like, this is really where it's at
Open up, open up, open the door
We don't need clothes and we don't need money
So civilized, I guess you wonder where you are
Nature boy, nature man, take me along
Deep in the woods we're undiscovered
