Totally Nude

Talking Heads

Big and I'm bad and I want you to know I hang around where the grass is greener Totally naked, baby, totally nude 'Cause if I want to, who's gonna stop me? I'm absolutely free living in the trees The birdies and the bees 'cause I'm a nature boy

Locked up inside, you can't tell me where it's at Open up, open up, open the door Rocks and trees and physical culture Some days you hide, I guess you wonder where you are Nature boy, nature man, take me along We got a life that's undiscovered

We threw it all away, throw it all away Rolling every way it's irresponsible So civilized, I guess you wonder where you are Nature boy, nature man, take me along Deep in the woods we're undiscovered

I'm a little fish and you're the river Living in a boat that's underwater We can tip, tip, tip it over You can push, push, make it better now

Wake your daddy up, it's a quarter to five Our little boat has lost its rudder Dive to the bottom and we never come up A polka party for Bob and Martha I'm absolutely free living in the trees The birdies and the bees 'cause I'm a nature boy

Think what you like, this is really where it's at Open up, open up, open the door We don't need clothes and we don't need money So civilized, I guess you wonder where you are Nature boy, nature man, take me along Deep in the woods we're undiscovered
