

# All The Way Home

Tamar Braxton

Wait a minute baby, going too fast  
Imma turn back, oh  
Wait a minute baby, going too fast  
Imma turn back

Don't even know what we're fighting for  
Damn, I need a minute, so baby keep your distance  
Heard it all, so Imma just go  
Don't bother waiting up, I just need some time alone  
Damn, where the hell are my keys  
I just wanna leave, get in my car, and Imma just drive all night  
Turn off my phone, radio on and drive  
So why I'm just

Speeding down the road and my head out of control  
Cause I'm thinking about you all the way home  
Got a long way to ride and I can't even deny  
I've been thinking about you all the way home

Wait a minute baby, going too fast  
Imma turn back  
Thinking about you all the way home  
Wait a minute baby, going too fast  
Imma turn back  
I've been thinking about you all the way home

Hey baby, I'm back and I'm calmed down  
I've done with all cussin'  
I came to give you a little something  
You got me screaming for a different reason now  
While we're breaking stuff, tearing it up  
Neighbors hear you loving me down, all night

Where the hell are my clothes, I don't wanna go  
But it's getting late, so imma just drive all night  
Moving real slow, radio low, just drive  
So why I'm just

Speeding down the road and my head out of control  
Cause I'm thinking about you all the way home  
Got a long way to ride and I can't even deny  
I've been thinking about you all the way home

Wait a minute baby, going too fast  
Imma turn back  
I've been thinking about you all the way home  
Wait a minute baby, going too fast  
Imma turn back  
I've been thinking about you all the way home

Who I think I'm fooling anyway  
I'm driving around the block to come right back to you  
When all along, I knew I should have stayed right where I was  
Instead of drive and think of you

So I'm just

Speeding down the road and my head out of control  
Cause I'm thinking about you all the way home  
Got a long way to ride and I can't even deny  
I've been thinking about you all the way home

Wait a minute baby, going too fast  
Imma turn back  
I've been thinking about you all the way home  
Wait a minute baby, going too fast  
Imma turn back  
I've been thinking about you all the way home

Oh oh  
(Oh oh)  
Oh oh  
(Oh)  
Imma come right back babe, Imma come right back to you  
Oh  
Imma come right back babe, Imma come right back to you
