

# Let Me Know

Tamar Braxton

Do you feel it in your heart?  
Do you, do you feel it?  
Do you feel it? like I feel it?  
Do you feel it in your soul?  
Do you, do you feel it?  
Do you feel it? like I feel it?  
When you know when it's right  
You don't let go  
You don't let go  
We've been through so many things  
Ups and downs and in-betweens  
If you mean for more love for me  
I give you more, just let me know

It's like a love when you never tell somebody  
Same love and put you through hell sometimes  
You don't give it up to nobody when you love somebody  
When you love somebody

And when it breaks your heart  
Do you, do you feel it?  
Do you feel it? like I feel it?  
I took your haze when you're gone  
Do you, do you feel it?  
Do you feel it? like I feel it?  
When you cry, you cry and try  
You try some more  
You try some more

We've been through so many things  
Ups and downs and in-betweens  
If you mean for more love for me  
I give you more, just let me know

It's like a love when you never tell somebody  
Same love and put you through hell sometimes  
You don't give it up to nobody when you love somebody  
When you love somebody

There's nothing off this few love  
You say your kisses make you sugar  
Give it to you, give it to love  
When you don't really like it there  
Can't go deeper baby  
That's for my love again and again and again  
Turn away more, not anymore

It's like a love when you never tell somebody  
Same love and put you through hell sometimes  
You don't give it up to nobody when you love somebody  
When you love somebody

Let me know  
Let me know  
Cause I love you  
Let me know  
Let me know

Let me know  
Let me know
