

# Love It

Tamar Braxton

Damn, it's so amazing  
I could tell the way you chase it  
Nothing better than, no sweeter than my love  
I could tell so baby face it  
I know you been craving  
Baby, nothing can compare to my love

I got that comeback candy that you never ever ever get tired of  
(tired of)  
Just like a waterfall, run for cover  
Baby, I swear it'll drown ya (drown ya) (you love it)

And baby you love it, you love it, you love it, you love it (you love it)  
And baby you love it, you love it, you love it, you love it (you know you do)  
So tell me you want it, you want it, you want it, you want it  
Cause baby you love it, you love it, you love it, you love it (you know you do)

Damn, I feel you shaking  
Got you faded, faded, faded  
You know them other girls can't do the things I do  
Yeah, speeding up the tempo  
Show me how deep your love can go  
Boy, you know I'm strung out on you

I got that comeback candy that you never ever ever get tired of  
(tired of)  
Just like a waterfall, run for cover  
Baby, I swear it'll drown ya (drown ya) (you love it)

And baby you love it, you love it, you love it, you love it (you love it)  
And baby you love it, you love it, you love it, you love it (you know you do)  
So tell me you want it, you want it, you want it, you want it  
Cause baby you love it, you love it, you love it, you love it (you know you do)

I'mma tie your hands around your back  
C'mon daddy, tell mommy how bad do you want it  
Want it just like that  
Cowboy, you want me to saddle my pony  
Play truth or dare, touch me right there

And baby you love it, you love it, you love it, you love it (you love it)

And baby you love it, you love it, you love it, you love it (Bo  
y I know, I know you do)  
So tell me you want it, you want it, you want it, you want it  
So baby jump on it, jump on it, jump on it  
Cause baby you love it, you love it, you love it, you love it (  
you know you do)
