

# Makin' Love

Tamar Braxton

I want you to love on my body  
Do it like we do  
Better promise you won't tell nobody  
Cause tonight it's just me and you  
Tell me boy can you keep a secret  
All of this passion I can't expose  
And if so please let me know

Cause I've been waiting all night long  
Baby come and take off all my clothes  
I can't wait to feel your touch, no  
As soon as I get home

Cause we be going all damn night  
When we makin' love  
Round for round boy don't give up, no  
Baby I can't get enough  
When we makin' love, when we be makin' love  
I want you in the worst way  
I love a man who knows how to work me  
Oh oh, when we be makin' love

I want you to love on my body  
Don't stop this groove  
Boy tell me what you're fantasizing  
Tonight I'm on stage for you  
Cause every time I think of you  
And all the sexy things we do  
I can't get enough of you  
It's true, I want you

Cause I've been waiting all night long  
Baby come and take off all my clothes  
I can't wait to feel your touch, no  
As soon as I get home

Cause we be going all damn night  
When we makin' love  
Round for round boy don't give up, no  
Baby I can't get enough  
When we makin' love, when we be makin' love  
I want you in the worst way  
I love a man who knows how to work me  
Oh oh, when we be makin' love  
Oh oh, when we be makin' love  
Oh oh, when we be makin' love

All night love me  
Work my body  
Make it feel good boy don't stop  
Give it to me good good on top  
Like the way that you do me  
(sexy, sexy boy)  
Get into me, yeah  
I just wanna lay up with you

Cause every time I think of you

And all the sexy things we do  
I can't get enough of you  
It's true, I want you

I've been waiting all night long  
Come and take off all my clothes  
I can't wait to feel your touch, no  
As soon as I get home

Cause we be going all damn night  
When we makin' love  
Round for round boy don't give up, no  
Baby I can't get enough  
When we makin' love, when we be makin' love  
I want you in the worst way  
I love a man who knows how to work me  
Oh oh, when we be makin' love  
Oh oh, Oh oh  
When we be makin' love

All night love me  
Work my body  
Make it feel good boy don't stop  
Give it to me good good on top  
When we be makin' love
